

Telesio Galilei Academy of Science

Francesco Fucilla

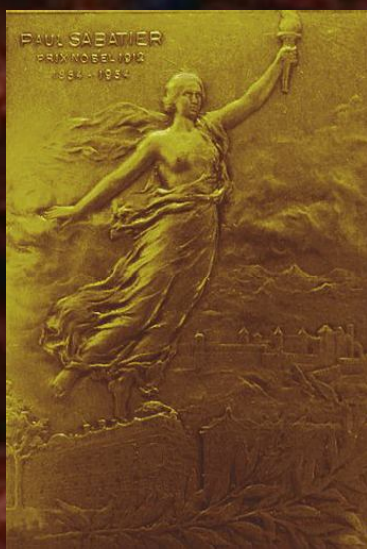

Founder of the Telesio-
Galilei Academy of Science,
London

Professor Francesco Fucilla was enthroned to Chevalier de la Dive
Bouteille de Gaillac on the 20th of March, 2012

On the 19th of March, 2010, his vision:

*"quantum physics and relativity must be upgraded to revive the human
spirit and our world with it"*

was recorded on film during the Science-Art Research Centre of Australia's cultural
presentation, organised by the New South Wales Northern Rivers Tweed Shire Council.

Professor Francesco Fucilla received the Gold Medal of Honour from
the Paul Sabatier University in Toulouse on the 20th of March 2012
